

Legend

- Inter-university Collaborations
- Collaborations between Universities and non-Academic Organizations

Univ.: University

TU: University of Technology
TI: Technological Institute

Sample: 15 universities with at least 4 occurrences

Reading Guide

The most represented universities within the corpus are primarily Southeast University in China, Delft University of Technology in the Netherlands, and the University of California in the United States. Some of these universities have partnered with non-academic organizations, typically from sectors related to transportation and urban planning. Among the bibliographic references from inter-university collaborations, Southeast University and the City University of Hong Kong stand out.
